7. FAQ SECTION (5 Questions)

```
[  
 {  
   "question": "How fast can you respond to an HVAC emergency?",  
   "answer": "We guarantee a 60-minute response time for all emergency calls in the Atlanta  
 metro area. Our technicians are on-call 24/7, including weekends and holidays. When your  
 system fails, we're already on our way."  
 },  
 {  
   "question": "Do you offer financing for HVAC system replacements?",  
   "answer": "Yes. We offer flexible financing options with approved credit for new system  
 installations and major repairs. Ask about our current 0% APR financing promotions. We believe  
 everyone deserves comfortable temperatures, regardless of budget."  
 },  
 {  
   "question": "Are your technicians certified and background-checked?",  
   "answer": "Absolutely. All NeverMissLead technicians are NATE-certified, EPA licensed, and  
 undergo rigorous background checks. We also require ongoing training to stay current on the  
 latest HVAC technology. You can trust who enters your home."  
 },  
 {  
   "question": "What areas do you service in metro Atlanta?",  
   "answer": "We serve all of metro Atlanta including Fulton, DeKalb, Cobb, Gwinnett, and  
 surrounding counties. If you're in the Atlanta area and need HVAC help, we can reach you  
 within 60 minutes for emergencies."  
 },  
 {  
   "question": "Do you provide warranties on repairs and installations?",  
   "answer": "Yes. All repairs come with a 90-day labor warranty. New system installations  
 include manufacturer warranties up to 10 years on parts, plus our lifetime service guarantee. We  
 stand behind every job we complete."  
 }  
 ]
```

17. SEO META DATA

Page Title

Emergency HVAC Service Atlanta | 60-Min Response | NeverMissLead HVAC

Meta Description

Atlanta's fastest HVAC emergency service. 60-minute response guaranteed. 24/7 AC & heating repair, installation, and maintenance. Licensed, insured, and trusted for 15+ years. Call now!

Keywords Focus

- Emergency HVAC Atlanta
 - 24/7 AC repair Atlanta
 - Fast HVAC service
 - Same-day heating repair
 - Atlanta HVAC emergency
 - 60-minute HVAC response
-

18. CONVERSION-OPTIMIZED COPY PRINCIPLES USED

- Urgency Language:** "60 minutes," "emergency," "NOW," "same-day"
 - Trust Signals:** Licensed, insured, certified, guaranteed, 15+ years
 - Benefit-Focused:** What customer gets, not what you do
 - Action-Oriented CTAs:** Specific commands, not generic "contact us"
 - Social Proof:** Reviews, ratings, testimonials prominent
 - Mobile-Optimized Copy:** Short sentences, scannable, clear
 - Local Focus:** Atlanta mentioned 20+ times throughout
 - Risk Reversal:** Guarantees, warranties, "pay when satisfied"
-

19. IMAGE/VISUAL ASSET NEEDS

Required Photos (for designers)

- ✓ Hero Image: Technician with van, smiling, professional uniform
- ✓ About Image: Team photo in front of service vehicles
- ✓ Gallery (8-12 images):
 - Before/after AC installations
 - Technicians at work (friendly, professional)
 - Clean, modern HVAC equipment
 - Happy homeowners
 - Service van branded
- ✓ Trust Badge Icons: Create or source
- ✓ Process Step Icons: Phone, clock, wrench, tools, checkmark
- ✓ Service Icons: Snowflake, flame, wind, etc.

Stock Photo Backup Strategy

Use high-quality contractor stock photos showing:

- Diverse technicians (professional attire)
- Modern homes (Atlanta-style)
- Clean equipment installations
- Satisfied customers (families)

Avoid: Cheesy stock photos, outdated equipment, overly staged

20. GOOGLE INTEGRATIONS

Google Business Profile

Business Name: NeverMissLead HVAC

Category: HVAC Contractor

Service Areas: Atlanta Metro (15-mile radius from Peachtree Industrial)

Google Maps Embed (placeholder)

```
<iframe src="https://www.google.com/maps/embed?pb=..." width="100%" height="400" style="border:0;" allowfullscreen="" loading="lazy"></iframe>
```

Google Reviews Widget

Embed code to show latest 5-star reviews

Filter: 4-5 stars only for display

21. COLORS & BRANDING

Primary Color Scheme (Emergency HVAC Optimized)

Primary: #D32F2F (Emergency Red - urgency, action)

Secondary: #1976D2 (Trust Blue - professional, cooling)

Accent: #F57C00 (Warm Orange - heating, friendly)

Neutral:

- Dark Gray: #2C3E50 (text)
- Light Gray: #F5F5F5 (backgrounds)
- White: #FFFFFF

Alternative (Template Default Colors):

Primary: #234654 (Teal - professional, trustworthy)
Secondary: #F5A05C (Orange - warm, approachable)

Note: Emergency red scheme recommended for HVAC due to urgency psychology, but template colors work if you prefer consistent branding across all trades.

Typography

Headings: Bold, Sans-serif (Roboto Bold or Inter Bold)
Body: Regular Sans-serif (Roboto or Inter)
CTA Buttons: Semibold, 16-18px

READY FOR JSON CONVERSION

All content above ready to map into:

/src/config/clients/nevermisslead.ts

Next Steps:

1. Convert this content → Client Config JSON structure
 2. Source/create visual assets (logo, photos, icons)
 3. Set up demo Supabase project
